```
          G   *        G7    *        C   *            G  *
1 I don't know about tomorrow, I just live from day to day
          C     *        G       *        A7   *           D   *
  I don't borrow from its sunshine for its skies may turn to grey
          G    *        G7    *      C   *           G   *
  I don't worry o'er the future for I know what Jesus said
        C  *            G       *       D    *         G   *
  And today I'll walk beside Him for He knows what is ahead.

|      C     *        G     *         A7  *        D    *
| Many things about tomorrow, I don't seem to understand
|       G   *            C     *       D   *             G   *
| But I know who holds tomorrow, and I know who holds my hand.

        G   *           G7      *       C     *         G    *
2 Every step is getting brighter as the golden stairs I climb
        C       *        G      *       A7   *          D    *
  Every burden's getting lighter, every cloud is silver-lined
           G  *          G7     *          C   *             G  *
  There the sun is always shining, there no tear will dim the eye
         C     *       G      *          D        *          G  *
  At the ending of the rainbow where the mountains touch the sky.

|      C     *        G     *         A7  *        D    *
| Many things about tomorrow, I don't seem to understand
|       G   *            C     *       D   *             G   *
| But I know who holds tomorrow, and I know who holds my hand.

          G   *        G7    *        C    *        G *
3 I don't know about tomorrow, it may bring me poverty
          C  *              G      *       A7 *              D *
  But the one who feeds the sparrow is the one who stands by me
          G   *           G7     *       C      *             G    *
  And the path that is my portion may be through the flame or flood
          C       *       G      *        D      *         G    *
  But His presence goes before me and I'm covered with His blood.

|      C     *        G     *         A7  *        D    *
| Many things about tomorrow, I don't seem to understand
|       G   *            C     *       D   *             G   *
| But I know who holds tomorrow, and I know who holds my hand.
