1 O sacred Head, now wounded with grief and shame weighed down

  Now scornfully surrounded with thorns, Thine only crown
      C         Bb       F *          Bb    *        Dm
  How pale thou art with anguish with sore abuse and scorn
      C         F      G  C           Bb       C         F
  How does that visage languish which once was bright as morn.

        Bb       *        C   F        Dm        A7     Dm
  Mine, mine was the transgression but Thine the deadly pain
      C      Bb       F *          Bb  *         Dm
  Lo, here I fall, my Saviour 'tis I deserve Thy place
       C     F        G C         Bb      C      F
  Look on me with Thy favour vouchsafe to me Thy grace.

3 What language shall I borrow to thank thee, dearest Friend
      Bb        *     C  F        Dm   A7      Dm
  For this, thy dying sorrow, thy pity without end?
      C       Bb      F *       Bb       *        Dm
  Oh, make me thine forever and should I fainting be
        C      F      G C      Bb      C       F
  Lord, let me never, never outlive my love to thee.

     Bb        *    C F        Dm        A7       Dm
4 Be near when I am dying, oh, show your cross to me
      Bb     *       C  F          Dm        A7     Dm
  And for my rescue, flying, come, Lord, and set me free!
        C         Bb      F  *         Bb    *         Dm
  These eyes, new faith receiving from Jesus shall not move
      C       F      G  C          Bb      C           F
  For one who dies believing, dies safely, through thy love.
