Come Let Us Join Our Friends Above

Key: F Time: 4/4

```
        F                Bb                   Gm                  F
1 Come, let us join our friends above, who have obtained the prize
      F             Bb                Gm              F
  And on the eagle wings of love to joys celestial rise
      C                  Bb                 Dm              C
  Let saints, on earth unite to sing with those to glory gone
      F                 Bb              Gm                    F
  For all the servants of our King in earth and heaven are one.

      F          Bb                 Gm               F
2 One family we dwell in Him, one church above, beneath
        F            Bb                   Gm                F
  Though now divided by the stream, the narrow stream of death
      C           Bb              Dm              C
  One army of the living God, to His command we bow
       F                 Bb                       Gm                  F
  Part of His host have crossed the flood, and part are crossing now.

      F                  Bb                 Gm             F
3 Ten thousand to their endless home this solemn moment fly
      F              Bb                Gm            F
  And we are to the margin come, and we expect to die
       C               Bb                    Dm                 C
  E'en now by faith we join our hands, with those that went before
      F                  Bb                   Gm           F
  And greet the blood be sprinkled bands, on the eternal shore.

      F                  Bb                 Gm                  F
4 Our spirits too shall quickly join like theirs with glory crowned
      F                 Bb                  Gm                F
  And shout to see our Captain's sign, to hear his trumpet sound
    C                 Bb                  Dm                  C
  O that we now might grasp our Guide! O that the word were given
       F                 Bb                Gm              F
  Come Lord of Hosts the waves divide and land us all in heaven
```
