Dear Lord and Father of Mankind

Key: G Time: 4/4

```
       G        C      G     *
1 Dear Lord and Father of mankind
     Am       C       D   *
  Forgive our foolish ways
    C         *      D        *
  Reclothe us in our rightful mind
     Em    C         D       Bm
  In purer lives Thy service find
     G      C         D     *
  In deeper reverence praise
     Am     C         G     *
  In deeper reverence praise.

     G      C          G          *
2 In simple trust like theirs who heard
    Am       C      D  *
  Beside the Syrian sea
      C        *       D      *
  The gracious calling of the Lord
     Em       C       D       Bm
  Let us, like them, without a word
      G      C      D   *
  Rise up and follow Thee
      Am     C      G   *
  Rise up and follow Thee.

    G       C       G   *
3 O Sabbath rest by Galilee
    Am      C      D   *
  O calm of hills above
       C     *        D          *
  Where Jesus knelt to share with Thee
     Em      C   D    Bm
  The silence of eternity
    G     C      D   *
  Interpreted by love!
    Am    C      G   *
  Interpreted by love!

      G         C       G     *
4 With that deep hush subduing all
     Am        C          D    *
  Our words and works that drown
     C      *       D      *
  The tender whisper of Thy call
     Em        C       D        Bm
  As noiseless let Thy blessing fall

     G        C     D   *
  As fell Thy manna down
     Am       C     G   *
  As fell Thy manna down.

      G         C       G    *
5 Drop Thy still dews of quietness
      Am      C         D    *
  Till all our strivings cease
      C        *         D          *
  Take from our souls the strain and stress
     Em      C       D        Bm
  And let our ordered lives confess
     G      C      D    *
  The beauty of Thy peace
     Am     C      G    *
  The beauty of Thy peace.

         G           C        G     *
6 Breathe through the heats of our desire
     Am       C       D   *
  Thy coolness and Thy balm
     C        *         D       *
  Let sense be dumb, let flesh retire
       Em          C           D         Bm
  Speak through the earthquake, wind, and fire
    G            C        D   *
  O still, small voice of calm
    Am           C        G   *
  O still, small voice of calm.
