```
    G          C      D       G
1 I come with joy to meet my Lord
     G      C          D   *
  Forgiven, loved, and free
     C       D      Bm   Em
  In awe and wonder to recall
      Am        *        C *     D          Am       G *
  His life laid down for me, his life laid down for me.

    G          C          D       G
2 I come with Christians far and near
     G        C       D  *
  To find, as all are fed
      C      D   Bm    Em
  The new community of love
     Am          *      C    *    D           Am     G    *
  In Christ's communion bread, in Christ's communion bread.

     G             C         D       G
3 As Christ breaks bread and bids us share
       G       C      D   *
  Each proud division ends
      C         D        Bm       Em
  The love that made us, makes us one
      Am        *       C      *     D          Am      G      *
  And strangers now are friends, and strangers now are friends.

      G         C      D        G
4 And thus with joy we meet our Lord
      G         C      D   *
  His presence, always near
     C       D          Bm     Em
  Is in such friendship better known
     Am      *          C   *    D       Am          G   *
  We see and praise him here, we see and praise him here.

    G      C      D      G
5 Together met, together bound
        G      C         D   *
  We'll go our different ways
      C      D      Bm     Em
  And as his people in the world
        Am       *         C     *       D        Am        G     *
  We'll live and speak his praise, we'll live and speak his praise.
