  Let us all in thee inherit, let us find the promised rest

  Take away the love of sinning; alpha and Omega be

  End of faith, as its beginning, set our hearts at liberty.

  Suddenly return, and never, nevermore they temples leave
  Am      *        *      E7        C          F      G      *
  Thee we would be always blessing, serve thee as thy hosts above
  C         F           C       G        F     C      G       C
  Pray, and praise thee without ceasing, glory in thy perfect love.

  C       F         C      G      F        C        G      C
4 Finish, then, thy new creation; true and spotless let us be
  C      F       C        G      F      C    G         C
  Let us see thy great salvation perfectly restored in thee
  Am           *     *    E7     C       F         G        *
  Changed from glory into glory, till in heav'n we take our place
  C       F        C        G          F       C       G      C
  Till we cast our crowns before thee, lost in wonder, love & praise.
