1 God moves in a mysterious way! His
   *        F      G    *
   wonders to perform
     Am           Em          Dm      Am
  He plants His footsteps in the sea
       F       G        C     *
   and rides upon the storm!

       C     G      Am    C         *
2 Deep in unfathomable mines of never-
   F        G     *
   failing skill
     Am          Em      Dm      Am
  He treasures up His bright designs
       F          G          C    *
   and works His sov'reign will.

| Within the mystery!

     C        G               Am
3 Ye fearful saints, fresh courage
   C          *          F        G     *
   take! The clouds ye so much dread
      Am        Em     Dm         Am
  Are big with mercy and shall break
      F          G       C    *
   in blessings on your head!

        C        G        Am      C
4 Judge not the Lord by feeble sense,
       *          F        G     *
   but trust Him for His grace
     Am       Em         Dm    Am
  Behind a frowning providence He
