God Moves in a Mysterious Way

Key: G Time: 3/4

```
      G          D     Em       G
1 God moves in a mysterious way! His
   *        C      D    *
   wonders to perform
     Em           Bm          Am      Em
  He plants His footsteps in the sea
      C       D        G     *
   and rides upon the storm!

      G     D      Em    G          *
2 Deep in unfathomable mines of never-
   C        D     *
   failing skill
     Em          Bm       Am       Em
  He treasures up His bright designs
      C          D          G    *
   and works His sov'reign will.

C       *       Em      G       C
God of mercy! God of grace! Give us
 G        Dsus4  D
 eyes to see!--
C        *         Em       G         C
Eyes to see Your smiling face within
      G     Asus4  A
 the mystery----
    C       D     G   *
Within the mystery!

     G        D                Em
3 Ye fearful saints, fresh courage
   G          *          C        D    *
   take! The clouds ye so much dread
      Em        Bm     Am          Em
  Are big with mercy and shall break
      C          D        G    *
   in blessings on your head!

       G        D        Em      G
4 Judge not the Lord by feeble sense,
      *          C        D     *
   but trust Him for His grace
    Em       Bm         Am    Em
  Behind a frowning providence He
   C        D        G    *
   hides a smiling face!

C       *       Em      G       C
God of mercy! God of grace! Give us
 G        Dsus4  D
 eyes to see!--
C        *         Em       G         C
Eyes to see Your smiling face within
      G     Asus4  A
 the mystery----
    C       D     G   *
Within the mystery!

     G      D        Em     G
5 His purposes will ripen fast, un-
   *        C      D    *
   folding ev'ry hour
     Em       Bm      Am      Em
  The bud may have a bitter taste,
       C           D       G     *
   but sweet will be the flow'r!

       G    D        Em       G
6 Blind unbelief is sure to err and
   *         C        D    *
   scan His work in vain
      Em      Bm     Am     Em       C
  God is His own interpreter and He
        D        G     *
   will make it plain!

C       *       Em      G       C
God of mercy! God of grace! Give us
 G        Dsus4  D
 eyes to see!--
C        *         Em       G         C
Eyes to see Your smiling face within
      G     Asus4  A
 the mystery----
    C       D     G   *
Within the mystery!
```
