2 The seed of the teaching, receptive souls reaching

4 With praise and thanksgiving to God, everliving
      G             C         D             G
  The tasks of our everyday life we will face
      G           *            Am         D
  Our faith ever sharing, in love ever caring
    G              C            D               G
  Embracing God’s children of each tribe and race.

       G               D              *               G
5 With your grace you feed us, with your light now lead us
   G           C           A             D
  Unite us as one in the life that we share.

       G            *             Am                 D

       G          C                D              G
  Give honour to Christ and that name which we bear.
