```
    C       Am          F      C
1 O day of peace that dimly shines
  F                C          Dm          F
  Through all our hopes and prayers and dreams
        C      Am        Em          Am
  Guide us to justice, truth, and love
    Em       Am        Em D     G
  Delivered from our selfish schemes
      G          Dm         Gm        Dm
  May swords of hate fall from our hands
                   F     Bb      F
  Our hearts from envy find release
                 Dm         G        C
  Till by God's grace our warring world
        Am            F         C     G  C
  Shall see Christ's promised reign of peace.

       C          Am          F         C
2 Then shall the wolf dwell with the lambs
  F              C         Dm        F
  Nor shall the fierce devour the small
     C           Am      Em      Am
  As beasts and cattle calmly graze
    Em      Am           Em    D    G
  A little child shall lead them all
       G  Dm          Gm        Dm
  Then enemies shall learn to love
                 F           Bb      F
  All creatures find their true accord
              Dm           G     C
  The hope of peace shall be fulfilled
      Am       F           C    G   C
  For all the earth shall know the Lord.
