1 O little town of Bethlehem; how still we see thee lie
   F        D        Gm        *          F      C        F *
  Above thy deep and dreamless sleep; The silent stars go by
      Am     G            A7 *          Bb  *       A7   *
  Yet in the dark streets shineth; The everlasting light
      F         *        Bb      Gm         F      C      F    *
  The hopes and fears of all the years; are met in thee tonight

      F         *       Bb *        F        C    F   *
2 For Christ is born of Ma-ry, and, gathered all above
       F       D          Gm     *          F        C         F   *
  While mortals sleep, the angels keep their watch of wond'ring love
    Am      G        A7 *       Bb        *    A7   *
  O morning stars, toge-ther proclaim the holy birth
      F       *       Bb      Gm       F        C       F    *
  And praises sing to God the King and peace to all the earth.

      F     *       Bb    *       F        C       F    *
3 How silently, how silently, the wondrous gift is giv'n!
     F     D        Gm    *          F         C      F     *
  So God imparts to human hearts the blessings of his heav'n
     Am      G        A7    *     Bb      *        A7 *
  No ear may hear his coming, but in this world of sin
       F          *      Bb         Gm        F           C      F *
  Where meek souls will receive him, still the dear Christ enters in.

    F    *        Bb    *       F       C      F   *
4 O holy Child of Bethlehem, descend to us, we pray
      F       D       Gm    *      F       C    F  *
  Cast out our sin and enter in, be born in us today
     Am       G         A7    *    Bb         *       A7  *
  We hear the Christmas angels the great glad tidings tell
    F       *    Bb        Gm      F      C   F *
  O come to us, abide with us, our Lord Emmanuel!
