          C          F       C       C
1  Dear Lord and Father of mankind
         Dm      F         G     *
   Forgive our foolish ways
      F           F       G         G
   Reclothe us in our rightful mind
      Am     F            G        Em
   In purer lives Thy service find
      C        F             G      *    Dm      F             C       *
   In deeper reverence praise. In deeper reverence praise.

      C        F            C              C
2  In simple trust like theirs who heard
      Dm       F        G  *
   Beside the Syrian sea
         F           F        G       G
   The gracious calling of the Lord
        Am       F            G       Em
   Let us, like them, without a word
         C        F        G     *        Dm      F        C       *
   Rise up and follow Thee. Rise up and follow Thee.

      C          F        C    C
3  O Sabbath rest by Galilee
      Dm       F       G     *
   O calm of hills above
            F      F          G              G
   Where Jesus knelt to share with Thee
         Am      F    G     Em
   The silence of eternity
       C      F        G   *    Dm    F        C     *
   Interpreted by love! Interpreted by love!

          C           F          C      C
4  With that deep hush subduing all
         Dm          F              G       *
   Our words and works that drown
         F        F          G        G
   The tender whisper of Thy call
        Am         F         G          Em
   As noiseless let Thy blessing fall
      C          F        G     *     Dm       F        C     *
   As fell Thy manna down. As fell Thy manna down.

          C          F          C     C
5  Drop Thy still dews of quietness
```

Dm F G *
Till all our strivings cease
F F G G
Take from our souls the strain and stress
Am F G Em
And let our ordered lives confess
C F G * Dm F C *
The beauty of Thy peace. The beauty of Thy peace.

C F C C
6 Breathe through the heats of our desire
Dm F G *
Thy coolness and Thy balm
F F G G
Let sense be dumb, let flesh retire
Am F G Em
Speak through the earthquake, wind, and fire
C F G * Dm F C *
O still, small voice of calm. O still, small voice of calm.
