Dear Lord and Father of Mankind

Key: G Time: 4/4

```
          G          C       G       *
1  Dear Lord and Father of mankind
        Am        C         D     *
   Forgive our foolish ways
       C          *         D         *
   Reclothe us in our rightful mind
       Em    C            D         Bm
   In purer lives Thy service find
       G         C             D      *
   In deeper reverence praise
       Am      C             G       *
   In deeper reverence praise.

       G         C            G              *
2  In simple trust like theirs who heard
       Am        C         D  *
   Beside the Syrian sea
         C           *         D       *
   The gracious calling of the Lord
        Em       C           D         Bm
   Let us, like them, without a word
         G         C         D     *
   Rise up and follow Thee
        Am       C         G     *
   Rise up and follow Thee.

       G          C         G    *
3  O Sabbath rest by Galilee
       Am        C       D     *
   O calm of hills above
            C      *           D              *
   Where Jesus knelt to share with Thee
        Em      C   D     Bm
   The silence of eternity
      G       C         D    *
   Interpreted by love!
     Am    C         G    *
   Interpreted by love!

          G            C           G       *
4  With that deep hush subduing all
        Am           C              D       *
   Our words and works that drown
        C        *           D         *
   The tender whisper of Thy call
```

Em C D Bm
As noiseless let Thy blessing fall
G C D *
As fell Thy manna down
Am C G *
As fell Thy manna down.

G C G *
5 Drop Thy still dews of quietness
Am C D *
Till all our strivings cease
C * D *
Take from our souls the strain and stress
Em C D Bm
And let our ordered lives confess
G C D *
The beauty of Thy peace
Am C G *
The beauty of Thy peace.

G C G *
6 Breathe through the heats of our desire
Am C D *
Thy coolness and Thy balm
C * D *
Let sense be dumb, let flesh retire
Em C D Bm
Speak through the earthquake, wind, and fire
G C D *
O still, small voice of calm
Am C G *
O still, small voice of calm.
