      G       D       Em   D       Bm      G     Am G
1  A mighty fortress is our God, a bulwark never fai--ling;
      G       D     Em       D          Bm     G       Am  G
   Our helper He, amid the flood, of mortal ills prevai--ling:
      D         A        D  *       D       C         Em *
   For still our ancient foe, doth seek to work us woe;
      Em        E           D    *       C            E     B    *
   His craft and power are great, and, armed with cruel hate,
      Bm      G       Am  G
   On earth is not his e----qual.

      G      D         Em           D         Bm      G           Am  G
2  Did we in our own strength confide, our striving would be los--ing,
       G        D           Em     D         Bm      G           Am   G
   were not the right Man on our side, the Man of God's own choo-sing.
      D         A          D *          D      C    Em  *
   You ask who that may be? Christ Jesus, it is he;--
       Em  E        D     *       C       E        B     *
   Lord Sabaoth his name, from age to age the same;
      Bm       G        Am  G
   and he must win the bat--tle.

       G        D             Em    D              Bm       G     Am G
3  And tho this world, with devils filled, should threaten to undo  us,
      G        D         Em       D          Bm      G         Am       G
   we will not fear, for God has willed his truth to triumph through us.
      D          A          D    *     D        C        Em  *
   The prince of darkness grim, we tremble not for him;
     Em       E       D    *     C       E         B    *
   his rage we can endure, for lo! his doom is sure;
      Bm  G            Am G
   one little word shall fell him.

       G       D        Em      D            Bm         G       Am  G
4  That Word above all earthly powers; no thanks to them abi---deth;
      G      D        Em       D              Bm        G        Am G
   the Spirit and the gifts are ours through him who with us si---deth.
      D            A         D *      D       C      Em  *
   Let goods and kindred go, this mortal life also;--
      Em   E           D  *         C       E       B   *
   the body they may kill: God's truth abideth still;
     Bm        G     Am  G
   his kingdom is fore----ver.
