Alas! and Did My Savior Bleed

Key: F Time: 4/4 Tune: HUDSON

```
   F        *      *      *          Bb     *         C  *
1 Alas! and did my Savior bleed, and did my Sovereign die?
       F    *         C      *        Bb      *       F *
  Would he devote that sacred head for sinners such as I-?

       F             *              C             *
At the cross, at the cross, where I first saw the light
        Bb           *             F  *
And the burden of my heart rolled away
       Bb       *         F         *
It was there by faith I received my sight
    Gm       C             F  *
And now I am happy all the day.

     F      *           *      *        Bb       *       C   *
2 Was it for crimes that I have done, he groaned upon the tree?
   F      *     C       *          Bb     *      F   *
  Amazing pity! Grace unknown! And love beyond degree!

       F             *              C             *
At the cross, at the cross, where I first saw the light
        Bb           *             F  *
And the burden of my heart rolled away
       Bb       *         F         *
It was there by faith I received my sight
    Gm       C             F  *
And now I am happy all the day.

      F         *      *        *         Bb       *       C *
3 Well might the sun in darkness hide, and shut its glories in
      F        *      C      *        Bb      *          F  *
  When God, the mighty maker, died for his own creature's sin.

       F             *              C             *
At the cross, at the cross, where I first saw the light
        Bb           *             F  *
And the burden of my heart rolled away
       Bb       *         F         *
It was there by faith I received my sight
    Gm       C             F  *
And now I am happy all the day.
```

```
      F       *       *        *          Bb       *       C    *
4 Thus might I hide my blushing face while his dear cross appears
    F        *        C       *         Bb        *       F    *
  Dissolve my heart in thankfulness, and melt mine eyes to tears.

      F             *              C             *
  At the cross, at the cross, where I first saw the light
       Bb           *             F  *
  And the burden of my heart rolled away
      Bb       *         F         *
  It was there by faith I received my sight
    Gm       C             F  *
  And now I am happy all the day.

    F        *         *       *       Bb      *      C  *
5 But drops of tears can ne'er repay the debt of love I owe
      F       *      C     *         Bb       *     F *
  Here, Lord, I give myself away; 'tis all that I can do.

      F             *              C             *
  At the cross, at the cross, where I first saw the light
       Bb           *             F  *
  And the burden of my heart rolled away
      Bb       *         F         *
  It was there by faith I received my sight
    Gm       C             F  *
  And now I am happy all the day.
