1 Are ye able said the Master, to be crucified with Me
          C      *        F       *        D        *      G   *
  Yea the sturdy dreamers answered, to the death we follow Thee

| C    E7     Am  *    F  *        C    * G *         C    *  G    D      G   *

| C   E7      Am      * F    *        E7 *  F  *      C   *  G        *    C *
| Thy guiding radiance above us shall be  a beacon to God to love and loyalty

         C    *    F     *        G           *      C   *
2 Are ye able to remember, when a thief lifts up his eyes
           C        *       F     *     D        *   G   *
  That his pardoned soul is worthy of a place in paradise

| C    E7     Am  *    F  *        C    * G *         C    *  G    D      G   *

| C   E7      Am      * F    *        E7 *  F  *      C   *  G        *    C *

       C          *      F      *      D         *       G  *
  To believe that spirit triumps to commend your soul to God

| C    E7     Am  *    F  *        C    * G *         C    *  G    D      G   *

| C   E7      Am      * F    *        E7 *  F  *      C   *  G        *    C *

         C     *         F     *         G     *    C *
4 Are ye able? Still the Master whispers down eternity
        C    *       F     *       D       *   G  *
  And heroic spirits answer now as then in Galilee

| C    E7     Am  *    F  *        C    * G *         C    *  G    D      G   *

| Thy guiding radiance above us shall be  a beacon to God to love and loyalty
