        F      C     Am    Gm          F       Bb       C      Gm
1 Come, O Thou Traveler unknown, whom still I hold but cannot see
     F    C    Am      Gm        F    Gm    C         F
  My company before is gone, and I am left alone with Thee
       F        C       Am      C         F       Am        Gm       C
  With Thee all night I mean to stay, and wrestle till the break of day
       F        C       Am      C         F       Gm       C        F
  With Thee all night I mean to stay, and wrestle till the break of day.

    F        C         Am    Gm     F       Bb  C    Gm
2 I need not tell Thee who I am, my sin and misery declare
     F         C          Am    Gm         F      Gm       C       F
  Thyself hast called me by my name, look on Thy hands, & read it there
     F      C         Am      C          F      Am        Gm      C
  But who, I ask Thee, who art Thou? Tell me Thy name, and tell me now
     F      C         Am      C          F      Gm        C       F
  But who, I ask Thee, who art Thou? Tell me Thy name, and tell me now.

       F     C        Am   Gm        F    Bb      C       Gm
3 Yield to me now, for I am weak, but confident in self despair
       F     C         Am        Gm        F         Gm    C       F
  Speak to my heart, in blessings speak, be conquered by my instant prayer
        F       C     Am          C         F       Am     Gm      C
  Speak, or Thou never hence shalt move, and tell me if Thy name be Love
        F       C     Am          C         F       Gm     C       F
  Speak, or Thou never hence shalt move, and tell me if Thy name be Love.

     F         C          Am         Gm    F        Bb      C     Gm
4 Tis Love! Tis Love! Thou diedst for me, I hear Thy whisper in my heart
     F       C           Am      Gm          F  Gm     C         F
  The morning breaks, the shadows flee: pure, universal Love Thou art
     F      C       Am      C         F      Am      Gm      C
  To me, to all Thy mercies move; Thy nature and Thy name is Love
     F      C       Am      C         F      Gm      C       F
  To me, to all Thy mercies move; Thy nature and Thy name is Love.
