Come Thou Fount of Every Blessing

Key: C Time: 3/4 Tune: NETTLETON

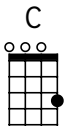

```
             C               G
1 Come, thou Fount of every blessing
          F                  C
  Tune my heart to sing thy grace
             C             G
  Streams of mercy, never ceasing
           F                 C
  Call for songs of loudest praise

           C               Am
  Teach me some melodious sonnet
          F                  C
  Sung by flaming tongues above
             C                   G
  Praise the mount! I'm fixed upon it
           F              C
  Mount of thy redeeming love.

         C           G
2 Here I raise my Ebenezer
         F                C
  Hither by thy help I'm come
        C                  G
  And I hope, by thy good pleasure
         F             C
  Safely to arrive at home

        C                 Am
  Jesus sought me when a stranger
            F                 C
  Wandering from the fold of God
         C               G
  He, to rescue me from danger
       F                  C
  Interposed his precious blood.

       C                 G
3 O to grace how great a debtor
        F                   C
  Daily I'm constrained to be!
          C                 G
  Let thy goodness, like a fetter
          F                   C
  Bind my wandering heart to thee
```

```
         C                Am
Prone to wander, Lord, I feel it
         F                C
Prone to leave the God I love
          C                   G
Here’s my heart, O take and seal it
        F                C
Seal it for thy courts above.
```
