Come Thou Fount of Every Blessing

Key: G Time: 3/4 Tune: NETTLETON

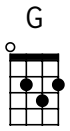

```
             G               D
1 Come, thou Fount of every blessing
          C                  G
  Tune my heart to sing thy grace
             G             D
  Streams of mercy, never ceasing
           C                 G
  Call for songs of loudest praise

           G               Em
  Teach me some melodious sonnet
         C                  G
  Sung by flaming tongues above
             G                   D
  Praise the mount! I'm fixed upon it
           C              G
  Mount of thy redeeming love.

         G           D
2 Here I raise my Ebenezer
         C                G
  Hither by thy help I'm come
       G                   D
  And I hope, by thy good pleasure
         C             G
  Safely to arrive at home

       G                 Em
  Jesus sought me when a stranger
            C                 G
  Wandering from the fold of God
         G               D
  He, to rescue me from danger
      C                   G
  Interposed his precious blood.

      G                 D
3 O to grace how great a debtor
        C                   G
  Daily I'm constrained to be!
         G                  D
  Let thy goodness, like a fetter
         C                   G
  Bind my wandering heart to thee
```

```
         G                Em
Prone to wander, Lord, I feel it
         C                G
Prone to leave the God I love
          G                   D
Here’s my heart, O take and seal it
        C                G
Seal it for thy courts above.
