Crown Him with Many Crowns

Key: C Time: 4/4 Tune: DIADEMATA

```
  C              *    F     *     C     F       G     *
1 Crown Him with many crowns, the Lamb upon His throne
       C       Am       D      G     *    *     D       G  *
  Hark how the heav'nly anthem drowns all music but its own
   C        *         F   *   D       *        G   *
  Awake, my soul, and sing of Him who died for thee
      C        F      G         C            F    G    C  *
  And hail Him as thy matchless King through all eternity

  C             *       F   *     C         F        G    *
2 Crown Him the Lord of life, who triumphed o'er the grave
      C       Am      D      G          *        D       G   *
  And rose victorious in the strife for those He came to save
      C       *      F   *     D        *       G
  His glories now we sing, who died and rose on high
      C     F      G       C         F          G         C  *
  Who died eternal life to bring and lives that death may die

  C             *       F    *      C       F       G    *
3 Crown Him the Lord of peace whose power a scepter sways
       C       Am         D        G         *      D          G     *
  From pole to pole, that wars may cease and all be prayer and praise
      C           *       F  *    D         *       G   *
  His reign shall know no end and round His pierced feet
       C          F   G      C          F         G    C    *
  Fair flowers of paradise extend their fragrance ever sweet.

  C             *       F   *   C        F         G   *
4 Crown Him the Lord of love, behold His hands and side
        C          Am  D   G        *      D    G   *
  Those wounds yet visible above in beauty glorified
      C      *       F   *     D         *        G *
  All hail Redeemer, hail, for Thou hast died for me
      C          F     G         C           F    G    C *
  Thy praise and glory shall not fail throughout eternity
