Crown Him with Many Crowns

Key: G Time: 4/4 Tune: DIADEMATA

```
  G              *    C     *     G     C       D     *
1 Crown Him with many crowns, the Lamb upon His throne
       G       Em       A      D     *    *     A       D  *
  Hark how the heav'nly anthem drowns all music but its own
   G        *         C   *   A       *        D   *
  Awake, my soul, and sing of Him who died for thee
      G        C      D         G            C    D    G  *
  And hail Him as thy matchless King through all eternity

  G             *       C   *     G         C        D    *
2 Crown Him the Lord of life, who triumphed o'er the grave
      G       Em      A      D          *        A       D   *
  And rose victorious in the strife for those He came to save
      G       *      C   *     A        *       D
  His glories now we sing, who died and rose on high
      G     C      D       G         C          D         G  *
  Who died eternal life to bring and lives that death may die

  G             *       C    *      G       C       D    *
3 Crown Him the Lord of peace whose power a scepter sways
       G       Em         A        D         *      A          D     *
  From pole to pole, that wars may cease and all be prayer and praise
      G           *       C  *    A         *       D   *
  His reign shall know no end and round His pierced feet
       G          C   D      G          C         D    G    *
  Fair flowers of paradise extend their fragrance ever sweet.

  G             *       C   *   G        C         D   *
4 Crown Him the Lord of love, behold His hands and side
        G          Em  A   D        *      A    D   *
  Those wounds yet visible above in beauty glorified
      G      *       C   *     A         *        D *
  All hail Redeemer, hail, for Thou hast died for me
      G          C     D         G           C    D    G *
  Thy praise and glory shall not fail throughout eternity
