Dear Lord and Father of Mankind

Key: G Time: 4/4 Tune: REPTON

```
       G        C      G     *       Am       C       D   *
1 Dear Lord and Father of mankind forgive our foolish ways
    C         *      D        *        Em    C         D       Bm
  Reclothe us in our rightful mind, in purer lives Thy service find
     G      C         D     *    Am     C         G     *
  In deeper reverence praise, in deeper reverence praise.

     G      C          G          *       Am       C      D  *
2 In simple trust like theirs who heard beside the Syrian sea
      C        *       D      *         Em       C       D       Bm
  The gracious calling of the Lord, let us, like them, without a word
       G      C      D   *      Am     C      G   *
  Rise up and follow Thee, rise up and follow Thee.

    G       C       G   *      Am      C      D   *
3 O Sabbath rest by Galilee; O calm of hills above
        C     *        D          *        Em      C   D    Bm
  Where Jesus knelt to share with Thee the silence of eternity
    G     C      D   *   Am    C      G   *
  Interpreted by love! Interpreted by love!

      G         C       G     *        Am        C          D    *
4 With that deep hush subduing all, our words and works that drown
      C      *       D      *       Em        C       D        Bm
  The tender whisper of Thy call as noiseless let Thy blessing fall
     G        C     D   *    Am       C     G   *
  As fell Thy manna down, as fell Thy manna down.

      G         C       G    *         Am      C         D    *
5 Drop Thy still dews of quietness till all our strivings cease
      C        *         D          *          Em      C       D        Bm
  Take from our souls the strain and stress, and let our ordered lives confess
     G      C      D    *     Am     C      G    *
  The beauty of Thy peace, the beauty of Thy peace.

         G           C        G     *         Am       C       D   *
6 Breathe through the heats of our desire, thy coolness and Thy balm
      C        *         D       *           Em          C           D       Bm
  Let sense be dumb, let flesh retire, speak through the earthquake, wind, & fire
    G           C        D   *   Am           C        G   *
  O still, small voice of calm; O still, small voice of calm.
