```
          G   *        G7    *
1 I don't know about tomorrow
         C   *           G  *
  I just live from day to day
         C    *         G       *
  I don't borrow from its sunshine
         A7   *           D   *
  For its skies may turn to grey

         G    *         G7    *
  I don't worry o'er the future
       C   *           G   *
  For I know what Jesus said
       C  *            G       *
  And today I'll walk beside Him
        D    *         G   *
  For He knows what is ahead.

|     C     *        G     *
|  Many things about tomorrow
|         A7  *        D    *
|  I don't seem to understand
|       G   *            C     *
|  But I know who holds tomorrow
|       D   *              G   *
|  And I know who holds my hand.

       G   *           G7      *
2 Every step is getting brighter
        C     *         G    *
  As the golden stairs I climb
       C       *        G      *
  Every burden's getting lighter
       A7   *          D    *
  Every cloud is silver-lined

          G  *          G7     *
  There the sun is always shining
          C   *             G  *
  There no tear will dim the eye
       C     *       G      *
  At the ending of the rainbow
          D        *          G  *
  Where the mountains touch the sky.

|     C     *        G     *
|  Many things about tomorrow
|         A7  *        D    *
|  I don't seem to understand
|       G   *            C     *
|  But I know who holds tomorrow
|       D   *              G   *
|  And I know who holds my hand.

         G   *        G7    *
3 I don't know about tomorrow
        C    *        G *
  It may bring me poverty
         C  *              G      *
  But the one who feeds the sparrow
        A7 *              D *
  Is the one who stands by me

         G   *           G7     *
  And the path that is my portion
        C      *             G    *
  May be through the flame or flood
         C       *       G      *
  But His presence goes before me
         D      *         G    *
  And I'm covered with His blood.

|     C     *        G     *
|  Many things about tomorrow
|         A7  *        D    *
|  I don't seem to understand
|       G   *            C     *
|  But I know who holds tomorrow
|       D   *              G   *
|  And I know who holds my hand.
