In the Bleak Midwinter

Key: F Time: 4/4 Tune: CRANHAM

```
  F      *        Dm *    Bb     *         C   *
1 In the bleak midwinter, frosty wind made moan
  F           *       Dm *    Bb    C      F    *
  Earth stood hard as i--ron, water like a stone
  Gm       *       Dm      *     F    Bb C   *
  Snow had fallen, snow on snow, snow on snow
  F      *        Dm *    Bb  C F *
  In the bleak midwinter, long ago.

      F           *      Dm   *    Bb  *        C   *
2 Our God, heav'n cannot hold him, nor earth sustain
  F          *           Dm    *   Bb      C        F    *
  Heav'n and earth shall flee away when he comes to reign
  Gm     *        Dm *     F      Bb       C    *
  In the bleak midwinter a stable place sufficed
      F    *     Dm  *   Bb C   F     *
  The Lord God almighty, Je-sus Christ.

  F      *       Dm *    Bb       *        C    *
3 Angels and Archan-gels may have gathered there
  F    *       Dm  *    Bb  C        F  *
  Cherubim and seraphim thronged the air
  Gm      *      Dm *   F      Bb     C    *
  But his mother on-ly, in her maiden bliss
  F         *     Dm *  Bb  C  F   *
  Worshiped the beloved with a kiss.

  F    *     Dm   *    Bb   *    C *
4 What can I give him, poor as I am?
  F    *      Dm *      Bb      C       F   *
  If I were a shepherd, I would bring a lamb
  Gm   *      Dm   *    F       Bb    C   *
  If I were a wise man, I would do my part
      F      *     Dm   *    Bb C     F    *
  Yet what I can I give him: gi-ve my heart.
