In the Bleak Midwinter

Key: G Time: 4/4 Tune: CRANHAM

```
  G      *        Em *    C      *         D   *
1 In the bleak midwinter, frosty wind made moan
  G           *       Em *    C     D      G    *
  Earth stood hard as i--ron, water like a stone
  Am       *       Em      *     G    C  D   *
  Snow had fallen, snow on snow, snow on snow
  G      *        Em *    C   D G *
  In the bleak midwinter, long ago.

      G           *      Em   *    C   *        D   *
2 Our God, heav'n cannot hold him, nor earth sustain
  G          *           Em    *   C       D        G    *
  Heav'n and earth shall flee away when he comes to reign
  Am     *        Em *     G      C        D    *
  In the bleak midwinter a stable place sufficed
      G    *     Em  *   C D   G     *
  The Lord God almighty, Jesus Christ.

  G      *       Em *    C        *        D    *
3 Angels and Archan-gels may have gathered there
  G    *       Em  *    C   D        G  *
  Cherubim and seraphim thronged the air
  Am      *      Em *   G      C      D    *
  But his mother on-ly, in her maiden bliss
  G         *     Em *  C   D  G   *
  Worshiped the beloved with a kiss.

  G    *     Em   *    C    *    D *
4 What can I give him, poor as I am?
  G    *      Em *      C       D       G   *
  If I were a shepherd, I would bring a lamb
  Am   *      Em   *    G       C     D   *
  If I were a wise man, I would do my part
      G      *     Em   *    C D     G    *
  Yet what I can I give him: give my heart.
