```
  Dm      *      A7     Dm     *       *       *      A7
1 Jesus, lover of my soul, let me to thy bosom fly
  Dm          *       A7      Dm     Am          Bb       *         Dm
  While the nearer waters roll, while the tempest still is high
  Gm         *     F        *      Dm        *         F        A7
  Hide me, O my Savior, hide, till the storm of life is past
  Bb      F       Dm     A7      Dm   *         A7       Dm
  Safe into the haven guide; O receive my soul at last.

  Dm     *       A7      Dm     *         *         *        A7
2 Other refuge have I none, hangs my helpless soul on thee
  Dm          *         A7    Dm     Am        Bb        *        Dm
  Leave, ah! leave me not alone, still support and comfort me
  Gm      *         F        *        Dm      *          F       A7
  All my trust on thee is stayed, all my help from thee I bring
  Bb     F     Dm          A7    Dm        *       A7      Dm
  Cover my defenseless head with the shadow of thy wing.

  Dm       *            A7     Dm     *          *       *       A7
3 Thou, O Christ, art all I want, more than all in thee I find
  Dm         *        A7          Dm      Am        Bb         *         Dm
  Raise the fallen, cheer the faint, heal the sick, and lead the blind
  Gm        *     F       *      Dm    *      F         A7
  Just and holy is thy name, I am all unrighteousness
  Bb         F        Dm     A7   Dm        *        A7         Dm
  False and full of sin I am; thou art full of truth and grace.

  Dm         *           A7       Dm      *         *      *       A7
4 Plenteous grace with thee is found, grace to cover all my sin
  Dm       *        A7         Dm      Am        Bb       *       Dm
  Let the healing streams abound, make and keep me pure within
  Gm       *         F         *     Dm      *       F        A7
  Thou of life the fountain art, freely let me take of thee
  Bb           F     Dm       A7      Dm       *     A7    Dm
  Spring thou up within my heart; rise to all eternity.
