Jesus, Lover of My Soul

Key: Em Time: 4/4 Tune: ABERYSTWYTH

```
  Em     *     B7    Em    *      *      *     B7
1 Jesus, lover of my soul, let me to thy bosom fly
  Em        *      B7     Em    Bm        C       *        Em
  While the nearer waters roll, while the tempest still is high
  Am       *    G       *     Em       *        G       B7
  Hide me, O my Savior, hide, till the storm of life is past
  C      G      Em    B7     Em  *        B7      Em
  Safe into the haven guide; O receive my soul at last.

  Em    *      B7     Em    *        *        *       B7
2 Other refuge have I none, hangs my helpless soul on thee
  Em         *        B7   Em    Bm       C        *       Em
  Leave, ah! leave me not alone, still support and comfort me
  Am     *        G       *       Em     *         G      B7
  All my trust on thee is stayed, all my help from thee I bring
  C     G    Em        B7   Em       *      B7     Em
  Cover my defenseless head with the shadow of thy wing.

  Em      *           B7    Em    *         *      *      B7
3 Thou, O Christ, art all I want, more than all in thee I find
  Em        *       B7        Em     Bm       C         *        Em
  Raise the fallen, cheer the faint, heal the sick, and lead the blind
  Am       *    G      *     Em   *     G        B7
  Just and holy is thy name, I am all unrighteousness
  C         G       Em    B7  Em       *       B7        Em
  False and full of sin I am; thou art full of truth and grace.

  Em        *          B7      Em     *        *     *      B7
4 Plenteous grace with thee is found, grace to cover all my sin
  Em      *       B7       Em     Bm       C       *      Em
  Let the healing streams abound, make and keep me pure within
  Am      *        G        *    Em     *      G       B7
  Thou of life the fountain art, freely let me take of thee
  C           G    Em      B7     Em      *    B7   Em
  Spring thou up within my heart; rise to all eternity.
