Key: F Time: 2/2 Tune: LORD OF THE DANCE

```
    F              Dm                 Am            Dm
1 I danced in the morning when the world was be-gun
       Gm             *              *              C
  And I danced in the moon and the stars and the sun
       F               Dm            Am             Dm
  And I came down from heaven and I danced on the earth
    Gm    C     Bb     F
  At Bethlehem I had my birth.

  F      Am          *             Dm
  Dance, then, wher-ever you may be
  F        *           Gm           C
  I am the Lord of the dance, said he
           F         Bb        F    (Bb)    *
  And I'll lead you all, wher-ever you may be
           Bb        C          F      (Bb) *
  And I'll lead you all in the dance, said he.

    F               Dm              Am    Dm
2 I danced for the scribe and the Pharisee
           Gm         *               *                C
  But they would not dance and they wouldn't follow me
    F               Dm              Am         Dm
  I danced for the fishermen, for James and John
       Gm         C           Bb          F
  They came with me and the dance went on:

  F      Am          *             Dm
  Dance, then, wher-ever you may be
  F        *           Gm           C
  I am the Lord of the dance, said he
           F         Bb        F    (Bb)    *
  And I'll lead you all, wher-ever you may be
           Bb        C          F      (Bb) *
  And I'll lead you all in the dance, said he.

    F               Dm              Am         Dm
3 I danced on the Sabbath and I cured the lame
      Gm   *       *               C
  The holy people said it was a shame
```

```
      F                  Dm                  Am          Dm
  They whipped and they stripped and they hung me on high
           Gm       C           Bb        F
  And they left me there on a cross to die:

| F       Am          *             Dm
| Dance, then, wher-ever you may be
| F         *           Gm           C
| I am the Lord of the dance, said he
|           F         Bb         F    (Bb)    *
| And I'll lead you all, wher-ever you may be
|           Bb        C           F      (Bb) *
| And I'll lead you all in the dance, said he.

    F            Dm               Am          Dm
4 I danced on a Friday when the sky turned black
      Gm       *               *              C
  It's hard to dance with the devil on your back
      F          Dm             Am           Dm
  They buried my body and they thought I'd gone
     Gm        C             Bb        F
  But I am the dance, and I still go on:

| F       Am          *             Dm
| Dance, then, wher-ever you may be
| F         *           Gm           C
| I am the Lord of the dance, said he
|           F         Bb         F    (Bb)    *
| And I'll lead you all, wher-ever you may be
|           Bb        C           F      (Bb) *
| And I'll lead you all in the dance, said he.

      F       Dm          Am        Dm
5 They cut me down and I leapt up high
    Gm      *             *            C
  I am the life that'll never, never die
      F        Dm             Am       Dm
  I'll live in you if you'll live in me
    Gm      C             Bb           F
  I am the Lord of the dance, said he.

| F       Am          *             Dm
| Dance, then, wher-ever you may be
| F         *           Gm           C
| I am the Lord of the dance, said he
