Lord of the Dance

Key: G Time: 2/2 Tune: LORD OF THE DANCE

```
    G              Em                 Bm            Em
1 I danced in the morning when the world was be-gun
       Am             *              *              D
  And I danced in the moon and the stars and the sun
       G              Em            Bm             Em
  And I came down from heaven and I danced on the earth
    Am    D     C      G
  At Bethlehem I had my birth.

  G      Bm          *             Em
  Dance, then, wher-ever you may be
  G        *           Am           D
  I am the Lord of the dance, said he
           G        C         G    (C)     *
  And I'll lead you all, wher-ever you may be
           C        D          G      (C)  *
  And I'll lead you all in the dance, said he.

    G              Em              Bm   Em
2 I danced for the scribe and the Pharisee
           Am        *              *               D
  But they would not dance and they wouldn't follow me
    G              Em              Bm        Em
  I danced for the fishermen, for James and John
       Am        D          C          G
  They came with me and the dance went on:

  G      Bm          *             Em
  Dance, then, wher-ever you may be
  G        *           Am           D
  I am the Lord of the dance, said he
           G        C         G    (C)     *
  And I'll lead you all, wher-ever you may be
           C        D          G      (C)  *
  And I'll lead you all in the dance, said he.

    G              Em             Bm        Em
3 I danced on the Sabbath and I cured the lame
      Am   *      *              D
  The holy people said it was a shame
```

```
      G                 Em                 Bm          Em
They whipped and they stripped and they hung me on high
          Am      D          C        G
And they left me there on a cross to die:

| G      Bm         *            Em
| Dance, then, wher-ever you may be
| G        *           Am          D
| I am the Lord of the dance, said he
|          G        C         G    (C)     *
| And I'll lead you all, wher-ever you may be
|          C        D          G      (C)  *
| And I'll lead you all in the dance, said he.

  G           Em               Bm          Em
4 I danced on a Friday when the sky turned black
      Am      *              *             D
  It's hard to dance with the devil on your back
      G         Em            Bm          Em
  They buried my body and they thought I'd gone
     Am       D            C        G
  But I am the dance, and I still go on:

| G      Bm         *            Em
| Dance, then, wher-ever you may be
| G        *           Am          D
| I am the Lord of the dance, said he
|          G        C         G    (C)     *
| And I'll lead you all, wher-ever you may be
|          C        D          G      (C)  *
| And I'll lead you all in the dance, said he.

      G      Em          Bm       Em
5 They cut me down and I leapt up high
    Am     *            *            D
  I am the life that'll never, never die
      G       Em            Bm      Em
  I'll live in you if you'll live in me
    Am     D           C           G
  I am the Lord of the dance, said he.

| G      Bm         *            Em
| Dance, then, wher-ever you may be
| G        *           Am          D
| I am the Lord of the dance, said he
