My Hope Is Built on Nothing Less

Key: C Time: 3/4 Tune: THE SOLID ROCK

```
     C                G                  F                C
1 My hope is built on nothing less than Jesus' blood and righteousness
    C                  G                   F              C
  I dare not trust the sweetest frame, but wholly lean in Jesus' Name

   C                F
On Christ the solid Rock I stand
    C               G
All other ground is sinking sand
    C               G      C
All other ground is sinking sand.

      C                  G              F             C
2 When darkness veils his lovely face, I rest on His unchanging grace
    C              G               F              C
  In every high and stormy gale, my anchor holds within the veil

   C                F
On Christ the solid Rock I stand
    C               G
All other ground is sinking sand
    C               G      C
All other ground is sinking sand.

     C             G                   F              C
3 His oath, His covenant, His blood, support me in the whelming flood
      C             G                  F              C
  When all around my soul gives way, He then is all my Hope and Stay

   C                F
On Christ the solid Rock I stand
    C               G
All other ground is sinking sand
    C               G      C
All other ground is sinking sand.

      C                  G                 F             C
4 When He shall come with trumpet sound; oh may I then in Him be found
         C               G                 F               C
  Dressed in His righteousness alone, faultless to stand before the throne
```

```
   C                F
On Christ the solid Rock I stand
    C               G
All other ground is sinking sand
    C               G       C
All other ground is sinking sand.
