O God Our Help in Ages Past

Key: C Time: 4/4 Tune: ST. ANNE

```
    C        G       F    C          Am       D        G   *
1 O God, our help in ages past, our hope for years to come
      C       G        Am     E7        F    G      C   *
  Our shelter from the stormy blast and our eternal home;

    C       G      F       C            Am          D       G   *
2 Under the shadow of your throne, your saints have dwelt secure
    C        G       Am   E7       F     G        C   *
  Sufficient is your arm alone and our defense is sure.

    C        G        F     C        Am      D          G    *
3 Before the hills in order stood or earth received its frame
       C   G       Am      E7     F       G         C   *
  From everlasting you are God to endless years the same.

    C        G    F       C          Am      D       G   *
4 A thousand ages in your sight are like an evening gone
        C      G          Am       E7      F        G      C  *
  Short as the watch that ends the night before the rising sun.

        C       G    F       C            Am       D    G  *
5 Time, like an ever-rolling stream, soon bears us all away
     C      G       Am   E7         F      G       C  *
  We fly forgotten, as a dream dies at the op'ning day.

    C        G       F    C          Am       D        G   *
6 O God, our help in ages past, our hope for years to come
        C      G           Am       E7       F    G      C   *
  Still be our guard while troubles last and our eternal home.
