O God Our Help in Ages Past

Key: F Time: 4/4 Tune: ST. ANNE

```
    F        C       Bb   F          Dm       G        C   *
1 O God, our help in ages past, our hope for years to come
      F       C        Dm     A7        Bb   C      F   *
  Our shelter from the stormy blast and our eternal home;

    F       C      Bb      F            Dm          G       C   *
2 Under the shadow of your throne, your saints have dwelt secure
    F        C       Dm   A7       Bb    C        F   *
  Sufficient is your arm alone and our defense is sure.

    F        C        Bb    F        Dm      G          C    *
3 Before the hills in order stood or earth received its frame
       F   C       Dm      A7     Bb      C         F   *
  From everlasting you are God to endless years the same.

    F        C    Bb      F         Dm      G       C   *
4 A thousand ages in your sight are like an evening gone
        F      C          Dm       A7      Bb       C      F  *
  Short as the watch that ends the night before the rising sun.

        F       C    Bb      F            Dm       G    C  *
5 Time, like an ever-rolling stream, soon bears us all away
     F      C       Dm   A7         Bb     C       F  *
  We fly forgotten, as a dream dies at the op'ning day.

    F        C       Bb   F          Dm       G        C   *
6 O God, our help in ages past, our hope for years to come
        F      C           Dm       A7       Bb   C      F   *
  Still be our guard while troubles last and our eternal home.
