O God Our Help in Ages Past

Key: G Time: 4/4 Tune: ST. ANNE

```
    G        D       C    G         Em       A        D   *
1 O God, our help in ages past, our hope for years to come
      G       D        Em     B7        C    D      G   *
  Our shelter from the stormy blast and our eternal home;

    G       D      C       G            Em          A       D   *
2 Under the shadow of your throne, your saints have dwelt secure
    G        D       Em   B7       C     D        G   *
  Sufficient is your arm alone and our defense is sure.

    G        D        C     G        Em      A          D    *
3 Before the hills in order stood or earth received its frame
       G   D       Em      B7     C       D         G   *
  From everlasting you are God to endless years the same.

    G        D    C       G         Em      A       D   *
4 A thousand ages in your sight are like an evening gone
        G      D          Em       B7      C        D      G  *
  Short as the watch that ends the night before the rising sun.

        G       D    C       G            Em       A    D  *
5 Time, like an ever-rolling stream, soon bears us all away
     G      D       Em   B7         C      D       G  *
  We fly forgotten, as a dream dies at the op'ning day.

    G        D       C    G         Em       A        D   *
6 O God, our help in ages past, our hope for years to come
        G      D           Em       B7       C    D      G   *
  Still be our guard while troubles last and our eternal home.
