O Little Town of Bethlehem

Key: C Time: 4/4 Tune: ST. LOUIS

```
    C      *       F     *        C        G        C  *
1 O little town of Bethlehem; how still we see thee lie
   C        A        Dm        *          C      G        C *
  Above thy deep and dreamless sleep; The silent stars go by
      Em     D            E7 *         F   *       E7   *
  Yet in the dark streets shineth; The everlasting light
      C         *        F       Dm         C      G      C    *
  The hopes and fears of all the years; are met in thee tonight

      C         *       F *        C        G    C   *
2 For Christ is born of Mary, and, gathered all above
       C       A          Dm     *          C        G         C   *
  While mortals sleep, the angels keep their watch of wond'ring love
    Em      D        E7 *       F         *    E7   *
  O morning stars, toge-ther proclaim the holy birth
      C       *       F       Dm       C        G       C    *
  And praises sing to God the King and peace to all the earth.

      C     *       F     *       C        G       C    *
3 How silently, how silently, the wondrous gift is giv'n!
     C     A        Dm    *          C         G      C     *
  So God imparts to human hearts the blessings of his heav'n
     Em      D        E7    *     F       *        E7 *
  No ear may hear his coming, but in this world of sin
       C          *      F          Dm        C           G      C *
  Where meek souls will receive him, still the dear Christ enters in.

    C    *        F     *       C       G      C   *
4 O holy Child of Bethlehem, descend to us, we pray
       C       A       Dm    *      C       G    C  *
  Cast out our sin and enter in, be born in us today
     Em       D         E7    *    F          *       E7  *
  We hear the Christmas angels the great glad tidings tell
    C       *    F         Dm      C      G   C *
  O come to us, abide with us, our Lord Emmanuel!
