O Little Town of Bethlehem

Key: G Time: 4/4 Tune: ST. LOUIS

```
    G      *       C     *        G        D        G  *
1 O little town of Bethlehem; how still we see thee lie
   G        E        Am        *          G      D        G *
  Above thy deep and dreamless sleep; The silent stars go by
      Bm     A            B7 *         C   *       B7   *
  Yet in the dark streets shineth; The everlasting light
      G         *        C       Am         G      D      G    *
  The hopes and fears of all the years; are met in thee tonight

      G         *       C *        G        D    G   *
2 For Christ is born of Mary, and, gathered all above
       G       E          Am     *          G        D         G   *
  While mortals sleep, the angels keep their watch of wond'ring love
    Bm      A        B7 *       C         *    B7   *
  O morning stars, toge-ther proclaim the holy birth
      G       *       C       Am       G        D       G    *
  And praises sing to God the King and peace to all the earth.

      G     *       C     *       G        D       G    *
3 How silently, how silently, the wondrous gift is giv'n!
     G     E        Am    *          G         D      G     *
  So God imparts to human hearts the blessings of his heav'n
     Bm      A        B7    *     C       *        B7 *
  No ear may hear his coming, but in this world of sin
       G          *      C          Am        G           D      G *
  Where meek souls will receive him, still the dear Christ enters in.

    G    *        C     *       G       D      G   *
4 O holy Child of Bethlehem, descend to us, we pray
       G       E       Am    *      G       D    G  *
  Cast out our sin and enter in, be born in us today
     Bm       A         B7    *    C          *       B7  *
  We hear the Christmas angels the great glad tidings tell
    G       *    C         Am      G      D   G *
  O come to us, abide with us, our Lord Emmanuel!
