O Master Let Me Walk with Thee

Key: C Time: 3/4 Tune: MARYTON

```
  C          F      Dm         G
1 O Master, let me walk with Thee
  G7        C         D        G
  In lowly paths of service free
  G7           C        F       G
  Tell me Thy secret, help me bear
      F          Dm         G       C
  The strain of toil, the fret of care.

  C            F       Dm       G
2 Help me the slow of heart to move
  G7              C       D       G
  By some clear, winning word of love
  G7            C       F       G
  Teach me the wayward feet to stay
      F           Dm     G        C
  And guide them in the homeward way.

  C             F          Dm         G
3 Teach me Thy patience; still with Thee
  G7          C      D     G
  In closer, dearer company
  G7            C            F          G
  In work that keeps faith sweet and strong
     F           Dm       G    C
  In trust that triumphs over wrong.

  C             F       Dm      G
4 In hope that sends a shining ray
  G7            C        D          G
  Far down the future's broad'ning way
  G7             C    F          G
  In peace that only Thou canst give
       F       Dm      G      C
  With Thee, O Master, let me live.
