O Sing a Song of Bethlehem

Key: Am Time: 4/4 Tune: KINGSFOLD

```
    Am      Em       C     G        C          F         G    *
1 O sing a song of Bethlehem, of shepherds watching there
      F       G          C       G          C       Dm      Am   *
  And of the news that came to them from angels in the air.
      Em          C         G     C   *              F       G  *
  The light that shone on Bethlehem fills all the world today
     F       Dm         D         G          C       F       Am *
  Of Jesus' birth and peace on earth the angels sing alway.

    Am      Em       C   G         C      F        G  *
2 O sing a song of Nazareth, of sunny days of joy
    F        G         C         G            C       Dm       Am *
  O sing of fragrant flowers' breath, and of the sinless Boy.
      Em       C           G   C    *         F          G   *
  For now the flowers of Nazareth in every heart may grow
      F            Dm       D         G        C       F           Am   *
  Now spreads the fame of his dear name on all the winds that blow.

    Am      Em       C   G        C         F          G   *
3 O sing a song of Galilee, of lake and woods and hill
     F        G        C        G        C         Dm        Am   *
  Of him who walked upon the sea and bade the waves be still.
      Em           C         G   C    *             F        G   *
  For though like waves on Galilee, dark seas of trouble roll
       F          Dm         D         G            C       F        Am   *
  When faith has heard the Master's work, falls peace upon the soul.

    Am      Em       C    G        C      F       G  *
4 O sing a song of Calvary, its glory and dismay
     F        G     C        G          C         Dm     Am   *
  Of him who hung upon the tree, and took our sins away.
      Em      C        G    C  *         F         G    *
  For he who died on Calvary is risen from the grave
      F            Dm       D        G          C       F       Am   *
  And Christ, our Lord, by heaven adored, is mighty now to save.
```
