```
       F              *             Gm            C
1 Sent forth by God’s blessing, our true faith confessing
     F         Bb            C             F
  The people of God from this dwelling take leave
     F          *        Gm       C
  The service is ended, O now be extended
     F             Bb         C         F
  The fruits of our worship in all who believe.

     F           C           *             F
  The seed of the teaching, receptive souls reaching
       F          Bb         G           C
  Shall blossom in action for God and for all.

       F           *            Gm          C
  God’s grace did invite us, and love shall unite us
    F              Bb          C          F
  To work for God’s kingdom and answer the call.

     F                *         Gm       C
2 With praise and thanksgiving to God, everliving
     F            Bb       C            F
  The tasks of our everyday life we will face
     F          *           Gm        C
  Our faith ever sharing, in love ever caring
   F             Bb          C              F
  Embracing God’s children of each tribe and race.

     F              C             *              F
  With your grace you feed us, with your light now lead us
   F          Bb         G            C
  Unite us as one in the life that we share.

     F           *            Gm               C
  Then may all the living, with praise and thanksgiving
     F         Bb              C             F
  Give honour to Christ and that name which we bear.
