Sweet Hour of Prayer

Key: C Time: 3/4 Tune: SWEET HOUR

```
       C       *             F       *
1 Sweet hour of prayer, sweet hour of prayer
      C        *      G        *
  That calls me from a world of care
     C       *     F        *
  And bids me at my Father's throne
      C      *         G      C
  Make all my wants and wishes known

    C        F     C         *
  In sea-sons of distress and grief
    C        F     C       G
  My soul has often found relief
     C     *         F         *
  And oft escaped the tempter's snare
    C     *           G       C
  By thy return, sweet hour of prayer.

       C       *             F       *
2 Sweet hour of prayer, sweet hour of prayer
     C      *         G       *
  The joys I feel, the bliss I share
    C           *       F       *
  Of those whose anxious spirits burn
      C        *         G     C
  With strong desires for thy return!

     C      F      C      *
  With such I hasten to the place
       C      F      C         G
  Where God my Savior shows his face
     C      *       F       *
  And gladly take my station there
     C        *           G       C
  And wait for thee, sweet hour of prayer!

       C       *             F       *
3 Sweet hour of prayer, sweet hour of prayer
     C           *    G      *
  Thy wings shall my petition bear
    C         *         F       *
  To him whose truth and faithfulness
   C        *       G       C
  Engage the waiting soul to bless
```

```
    C        F       C        *
And since he bids me seek his face
  C         F         C         G
Believe his word, and trust his grace
     C       *      F     *
I’ll cast on him my every care
    C        *           G       C
And wait for thee, sweet hour of prayer.
