The Gift of Love

Key: G Time: 4/4 Tune: GIFT OF LOVE

```
          G     *    * C      *       G   * *
1 Though I may speak--- with bravest fire--
      G        Em  * Am   *     D    * *
  And have the gift--- to all inspire--
      D        G   * Am   *         G   * Am
  And have not love--, my words are vain--
     Am       D    * C     *        G   * *
  As sounding brass--, and hopeless gain--.

          G     *   * C     *    G   * *
2 Though I may give--- all I possess--
      G        Em * Am   *       D   * *
  And striving so --- my love profess--
      D      G  * Am   *      G   * Am
  But not be given- by love within--
      Am     D   * C       *         G   * *
  The profit soon--- turns strangely thin--.

        G       *   * C     *         G   * *
3 Come, Spirit, come--, our hearts control--
      G       Em  * Am   *       D    * *
  Our spirits long--- to be made whole--
      D      G   * Am      *     G   * Am
  Let inward love--- guide every deed--
     Am      D  * C      *       G    * *
  By this we wor---ship, and are freed--.
