# The Old Rugged Cross

Key: G  Time: 6/8  Tune: THE OLD RUGGED CROSS

```
       G         *            C          *
1 On a hill far away stood an old rugged cross
     D7        *            G    *
  The emblem of suffering and shame
       G             *               C           *
  And I love that old cross where the dearest and best
       D             *           G    *
  For a world of lost sinners was slain

|      D           *          G    *         C           *          G   *
| So I'll cherish the old rugged cross, till my trophies at last I lay down
|       G            G7         C    Am      G               D         G    *
| I will cling to the old rugged cross, and exchange it some day for a crown

       G          *            C            *
2 O that old rugged cross, so despised by the world
       D7         *            G *
  Has a wondrous attraction for me
        G            *            C      *
  For the dear Lamb of God left His glory above
     D          *         G *
  To bear it to dark Calvary.

|      D           *          G    *         C           *          G   *
| So I'll cherish the old rugged cross, till my trophies at last I lay down
|       G            G7         C    Am      G               D         G    *
| I will cling to the old rugged cross, and exchange it some day for a crown

       G          *                    C          *
3 In the old rugged cross, stained with blood so divine
    D7       *        G  *
  A wondrous beauty I see
          G           *           C            *
  For 'twas on that old cross Jesus suffered and died
     D          *        G *
  To pardon and sanctify me.

|      D           *          G    *         C           *          G   *
| So I'll cherish the old rugged cross, till my trophies at last I lay down
|       G            G7         C    Am      G               D         G    *
| I will cling to the old rugged cross, and exchange it some day for a crown
```

```
        G          *            C       *
4 To the old rugged cross I will ever be true
     D7          *             G   *
  Its shame and reproach gladly bear
            G            *         C         *
  Then he'll call me some day to my home far away
          D        *         G    *
  Where his glory forever I'll share.

        D           *          G    *         C           *          G   *
So I'll cherish the old rugged cross, till my trophies at last I lay down
       G            G7         C    Am      G              D         G    *
I will cling to the old rugged cross, and exchange it some day for a crown
