```
  G     *      *  *   D      *          *  *
1 Thine be the glory, risen, conquering Son

  Endless is the victory thou o'er death hast won

  Angels in bright raiment rolled the stone away
  Em       *      A     *       G         A    D  *
  Kept the folded grave clothes where thy body lay.

  Thine be the glory, risen, conquering Son
  G       *      C  D    C          D          G  *
  Endless is the victory thou o'er death hast won.

2 Lo! Jesus meets us, risen from the tomb

  Lovingly he greets us, scatters fear and gloom

  Let the Church with gladness hymns of triumph sing

  For her Lord now liveth; death hath lost its sting.

  Thine be the glory, risen, conquering Son

3 No more we doubt thee, glorious Prince of life
  G       *        Em    D     C      D      G     *
  Life is nought without thee: aid us in our strife

  Make us more than conquerors, through thy deathless love
  Em       *            A  *   G      A     D   *
  Bring us safe through Jordan to thy home above.

  G     *      *  *   D      *          *  *
  Thine be the glory, risen, conquering Son
  G       *      C  D    C          D          G  *
  Endless is the victory thou o'er death hast won.
