```
      C     G        C    *    F     C         G   *
1 This is my Father’s world and to my listening ears
     C      Am         G        C         F     G      C      *
  All nature sings, and round me rings the music of the spheres
     C     F        C    *   F       G      C      *
  This is my Father’s world; I rest me in the thought
    G         Am        F         C         F        G       C
  Of rocks and trees, of skies and seas, His hand the wonders wrought.

     C     G        C    *     F           C      G    *
2 This is my Father’s world, the birds their carols raise
     C       Am         G    C       F           G       C     *
  The morning light, the lily white declare their Maker’s praise
     C     F        C    *    F         G          C   *
  This is my Father’s world; He shines in all that’s fair
       G        Am      F        C        F         G       C     *
  In the rustling grass I hear Him pass, He speaks to me everywhere.

     C     G        C    *   F      C        G  *
3 This is my Father’s world; O let me ne’er forget
     C          F           G      C           F      G     C  *
  That though the wrong seems oft so strong, God is the Ruler yet
     C     F        C    *     F         G        C   *
  This is my Father’s world; Why should my heart be sad?
     G       Am            F       C         F           G        C    *
  The Lord is King: let the heavens ring! God reigns; let earth be glad!
