Key: G Time: 4/4 Tune: TERRA BEATA

```
       G     D        G    *    C     G         D   *
1 This is my Father’s world and to my listening ears
      G      Em         D        G         C     D      G      *
  All nature sings, and round me rings the music of the spheres
      G     C        G    *   C       D      G      *
  This is my Father’s world; I rest me in the thought
     D         Em        C         G         C        D       G
  Of rocks and trees, of skies and seas, His hand the wonders wrought.

      G     D        G    *     C           G      D    *
2 This is my Father’s world, the birds their carols raise
      G       Em         D    G       C           D       G     *
  The morning light, the lily white declare their Maker’s praise
      G     C        G    *    C         D          G   *
  This is my Father’s world; He shines in all that’s fair
        D        Em      C        G        C         D       G     *
  In the rustling grass I hear Him pass, He speaks to me everywhere.

      G     D        G    *   C      G        D  *
3 This is my Father’s world; O let me ne’er forget
      G          C           D      G           C      D     G  *
  That though the wrong seems oft so strong, God is the Ruler yet
      G     C        G    *     C         D        G   *
  This is my Father’s world; Why should my heart be sad?
     D       Em            C       G         C           D        G    *
  The Lord is King: let the heavens ring! God reigns; let earth be glad!
