1 Come down, O Love di-vine, seek thou this soul of mine
      Bb             Gm              C  F
  And visit it with thine own ardor glowing
    Dm    F         C     Eb  Bb    Gm    F C
  O Comforter, draw near, within my heart appear
      F      C       F    Gm      C   F
  And kindle it, thy holy flame bestowing.

    F      C   Bb F          *       Dm G     C
2 O let it freely burn, till earthly passions turn
     Bb             Gm             C F
  To dust and ashes in its heat consuming
      Dm      F  G     C     Eb    Bb   Gm F  C
  And let thy glorious light shine ever on my sight
      F         C          F        Gm     C F
  And clothe me round, the while my path illuming.

      F      C   Bb   F            *         Dm   G    C
3 And so the yearning strong, with which the soul will long
        Bb              Gm             C   F
  Shall far outpass the power of human telling
      Dm       F     G   C           Bb   Gm   F   C
  For none can guess its grace, till we become the place
  C    F      C    F      Gm      C    F
  Wherein the Holy Spirit makes a dwelling.
