# I Cannot Tell

Key: G  Time: 4/4

```
           G        G7               C      *
1 I cannot tell why he, whom angels worship
                G     Em              A  D
  Should set his love upon the sons of men
           G         G7                 C        *
  Or why, as Shepherd, he should seek the wanderers
              G          *               *   B7
  To bring them back, they know not how or when
           Em         C               G   B7
  But this I know, that he was born of Mary
               Em     C            D   *
  When Bethl'em's manger was his only home
            G        C            G       Em
  And that he lived at Nazareth and laboured
           G                D                G   *
  And so the Saviour, Saviour of the world, is come.

           G        G7          C       *
2 I cannot tell how silently he suffered
            G        Em                   A   D
  As with his peace he graced this place of tears
           G      G7                 C     *
  Or how his heart upon the cross was broken
             G       *                *    B7
  The crown of pain to three and thirty years
           Em       C               G      B7
  But this I know, he heals the brokenhearted
              Em      C                 D   *
  And stays our sin and calms our lurking fear
              G      C              G    Em
  And lifts the burden from the heavy laden
              G               D               G   *
  For still the Saviour, Saviour of the world is here.

           G        G7               C      *
3 I cannot tell how he will win the nations
            G         Em          A   D
  How he will claim his earthly heritage
           G      G7            C      *
  How satisfy the needs and aspirations
            G        *             *   B7
  Of east and west, of sinner and of sage
           Em        C                  G  B7
  But this I know, all flesh shall see his glory
             Em       C              D   *
  And he shall reap the harvest he has sown
              G       C                 G    Em
  And some glad day his sun will shine in splendour
```

```
             G                D                G    *
  When he the Saviour, Saviour of the world, is known.

          G        G7                  C      *
4 I cannot tell how all the lands shall worship
             G       Em             A      D
  When at his bidding every storm is stilled
           G       G7            C     *
  Or who can say how great the jubilation
           G          *               *    B7
  When every heart with love and joy is filled
           Em        C                      G  B7
  But this I know, the skies will thrill with rapture
           Em     C            D   *
  And myriad myriad human voices sing
             G           C                     G Em
  And earth to heav'n, and heav'n to earth, will answer
             G               D                G    *
  'At last the Saviour, Saviour of the world, is King!'
