My Hope Is Built on Nothing Less

Key: G Time: 3/4

```
     G                D                   C                G
1 My hope is built on nothing less than Jesus' blood and righteousness
    G                  D                    C              G
  I dare not trust the sweetest frame, but wholly lean in Jesus' Name
     G                C
  On Christ the solid Rock I stand
      G               D
  All other ground is sinking sand
      G               D
  All other ground is sinking sand.

      G                  D              C               G
2 When darkness veils his lovely face, I rest on His un-changing grace
     G              D               C                G
  In every high and stormy gale, my anchor holds within the veil
     G                C
  On Christ the solid Rock I stand
      G               D
  All other ground is sinking sand
      G               D
  All other ground is sinking sand.

     G              D                    C               G
3 His oath, His cove-nant, His blood, support me in the whelming flood
      G             D                   C              G
  When all around my soul gives way, He then is all my Hope and Stay
     G                C
  On Christ the solid Rock I stand
      G               D
  All other ground is sinking sand
      G               D
  All other ground is sinking sand.

      G                  D                  C              G
4 When He shall come with trumpet sound; oh may I then in Him be found
         G               D                C               G
  Dressed in His righteousness alone, faultless to stand before the throne
     G                C
  On Christ the solid Rock I stand
      G               D
  All other ground is sinking sand
      G               D
  All other ground is sinking sand.
