          F              *             C             F
1 When we walk with the Lord; in the light of His Word
        Bb       F             C
  What a glory He sheds on our way
          F            *          C              F
  While we do His good will; He abides with us still

  And with all who will trust and obey

| To be happy in Jesus; but to trust and obey

       F          *            C          F
2 Not a burden we bear; not a sorrow we share
         Bb            F         C
  But our toil He doth richly repay
       F           *            C          F
  Not a grief or a loss; not a frown or a cross
        Bb           F           *
  But is blest if we trust and obey

| C7          F                 D         Gm
| Trust and obey; For there's no other way
      C7       F               C7          F
| To be happy in Jesus; but to trust and obey

        F          *             C              F
3 But we never can prove; The delights of His love
       Bb          F         C
  Until all on the altar we lay
         F         *               C         F
  For the favor He shows; and the joy He bestows
         Bb            F          *
  Are for them who will trust and obey

| C7          F                 D         Gm
| Trust and obey; For there's no other way
      C7       F               C7          F
| To be happy in Jesus; but to trust and obey

         F           *              C           F
4 Then in fellowship sweet; we will sit at His feet
          Bb          F           C
  Or we'll walk by His side in the way
         F            *            C              F
  What He says we will do; where He sends we will go
```

To be happy in Jesus; but to trust and obey
