# Christ, Whose Glory Fills the Skies

Key: G

**G C G D**
1 Christ, whose glory fills the skies
**Em D C G**
Christ, the true, the only Light,
**G D C G**
Sun of Righteousness, arise,
**G B Am Em**
Triumph o'er the shades of night;
**C D C B**
Dayspring from on high, be near,
**Em D C G**
Daystar, in my heart appear.

**G C G D**
2 Dark and cheerless is the morn
**Em D C G**
Unaccompanied by Thee;
**G D C G**
Joyless is the day's return,
**G B Am Em**
Till Thy mercy's beams I see,
**C D C B**
Till Thou inward light impart,
**Em D C G**
Glad my eyes, and warm my heart.

**G C G D**
3 Visit then this soul of mine,
**Em D C G**
Pierce the gloom of sin and grief;
**G D C G**
Fill me, Radiancy divine,
**G B Am Em**
Scatter all my unbelief;
**C D C B**
More and more Thyself display,
**Em D C G**
Shining to the perfect day.
